

Potential participants in the framework agreement

VITO nv acts as a central purchasing body within the meaning of Article 2.6° of the Public Procurement Act for the following entities, hereinafter referred to as 'customers':

- The Flemish authorities, the Flemish local authorities, as defined under "Participants in the framework agreement"
- Belgian Nuclear Research Centre (SCK)
- National Agency for Radioactive Waste and Enriched Fissile Materials (NIRAS)
- Belgoprocess NV
- The customers within the previous VITO ICT Infrastructure framework agreement

Potential buyers must verify for themselves whether they legally fall under the aforementioned entities.

The following entities, hereinafter referred to as '[customers](#)', [belong to the Flemish government and the Flemish local authorities](#) as referred to in Article 1.3 'Central purchasing office' and can therefore participate in this framework agreement:

1. the Flemish Parliament, its services, and the institutions associated with the Flemish Parliament;
2. the autonomous services supervised by the Flemish Parliament;
3. the Flemish Government and the cabinets of the members of the Flemish Government;
4. The Flemish Administration
 - the departments;
 - internally autonomous agencies without legal personality;
 - internally autonomous agencies with legal personality;
 - the externally autonomous agencies under public law;
 - the externally autonomous agencies under private law, with the exception of the investment companies of the Flemish government;
 - the Administrative Courts Service;
 - the Education Inspectorate;
5. the provincial governors and the district commissioners;
6. the Flemish public institutions that do not belong to the Flemish administration as laid down in art. 1.3., 4° of the [Administrative Decree](#) of 7 December 2018;
7. the Flemish advisory bodies;
 - the strategic advisory councils;
 - the other councils, committees, committees and other bodies, whatever their designation, which meet all of the following conditions:
 - they are established by decree, by decree of the Flemish Government, by decree of a Flemish minister, or by law, royal decree or ministerial decree in matters that fall within the competence of the regions or communities;
 - their mission is mainly to provide advice, whatever it may be called, on their own initiative or on request;
 - they provide advice to, among others, the Flemish Parliament, the Flemish Government, a Flemish minister or the Flemish administration;

8. the Flemish administrative courts;
9. The common services and institutions established in accordance with art. 92 bis, §1 or art. 92 bis/1, §1 of the special law of 8 August 1980 on the reform of institutions and of which the Flemish Community or the Flemish Region is one of the co-founders;
10. Community education:
11. The Flemish Community Commission;
12. The local authorities within the meaning of the Administrative Decree of 7 December 2018, which are located in the Flemish Region, as described below:
13. Flemish local authorities, in particular: municipalities, districts, public centres for social welfare, intermunicipal partnerships and welfare associations, autonomous agencies of a municipality, port companies, autonomous care institutions, polders and the water rings, administrations of the recognised church or religious communities of the recognised religious services, emergency response zones and police zones.
14. the Provinces and their autonomous agencies.
15. The universities, university associations and university colleges referred to in art. II.2, II.3, and II.8 of the Codified Decree on higher education of 11 October 2013;
16. The strategic research centres, the Flemish scientific institutions and other institutions, referred to in the Decree of 30 April 2009 on the organisation and financing of science and innovation policy or the companies in which these centres or institutions participate. These are (non-exhaustive): Flanders Make, Imec, the Flemish Interuniversity Institute for Biotechnology, the INBO, the ILVO, the KMSKA, the VIOE, the Meise Botanical Garden, the Flanders Hydraulics Laboratory, etc.;
17. School boards of Flemish primary, secondary, adult and part-time artistic education, belonging to community education, subsidised private education or subsidised official education, subsidised by the Flemish Community;
18. Hospitals and other healthcare institutions as referred to in the Hospital Act;
19. Flemish welfare and health facilities, which are recognised, licensed or subsidised by the department or by the other agencies of the Welfare, Public Health and Family (WVG) policy area, active in welfare care, care for the disabled, care for the elderly, home care, mental health care, youth care or childcare.

More information about the entities that are part of the Flemish government or of the local authorities can be found on the following website: <https://overheid.vlaanderen.be/wegwijs-vlaamse-overheid>.
